

# B-214MFP90

## Super soft and comfortable palm immersed nitrile frosted coating anti cutting gloves

### DESCRIPTION:

- The inner lining is knitted with the latest 21-g Hybrid Armorgard™ BladeX fiber, ensuring a make skin-friendly fit
- The gloves provide a cut resistance performance of Grade D, ensuring safety protection while offering a soft, comfortable, and breathable wearing experience.
- The elastic knitted cuff ensures the gloves are less prone to slipping, facilitating precise and intricate operations for workers.
- The fluorescent-colored inner lining enhances visibility for safety, and the palm is coated with a nitrile ultra-fine foam to reduce sweating during extended work periods

### APPLICATIONS:

- New energy / aviation processing / Automotive component assembly / mechanical manufacturing

Technology Data	 Cut resistance	M Medium weight
Art . No	B-214MFP90	
Liner Gauges	21G	
Liner Material	Hybrid Armorgard™ BladeX fibers	
Coating Material	Nitrile	
Coating Position	Palm	
Cuff Style	Knitting cuff	
Colour	Turquoise	
Size	M / L / XL	
Package	1pair/bag, 12 pairs/dozen, 72 pairs/box	
Anti-skid Effect	Superfine foaming	

### TECHNOLOGY:
